

## JOIN THE FRIENDS: Maintaining the Monuments of Winchelsea

The Friends provide vital funds to assist in the preservation and improvement of the town's Ancient Monuments: the three Town Gates (Strand Gate, Pipewell Gate and New Gate), The Town Well (in Castle St), the Queen Elizabeth Well (by Spring Steps), the Court Hall (in the High St) and the Museum located in the upper room of the Court Hall. Tours of the mediaeval cellars of Winchelsea are run at various intervals in support of the Friends - more details are provided below. Much of our funding is already committed to essential expenditure, so your continued support of events and membership of the Friends is vital for our long-term operational success.
