Winchelsea Residents Association (WRA) Meeting – Saturday May 30th 2026 @ 13:30

PRESENT : Glen Marks , David Dickson, Richard Plumb, Sarah Andrews, Jane Taylor, Julie Gurr

Apologies : Ian Menzies

1. Minutes of last meeting agreed.

2. There was some confusion regarding subs for 26/27 but agreed to amend £5 subs to £0 for this year . However, it was agreed by the committee should any exceptional items come up residents may be asked for contributions. Residents who have already paid their subs for 26/27 year will be offered a refund on request.

3. The toilet is now open in the town and I.P.C are still in negotiation with Rother regarding the freehold of both Winchelsea Beach and Winchelsea Town toilets.

4. 20mph update: David has written to the chair of Govenors at the school and will chase up reply. David and Richard will continue to lead the campaign for 20mph and are looking to set up a petition for this from the local community and parents and carers of the children attending the school. The committee are in full support of this and also continue to support the traffic calming plan.

5. Glen will contact C.C asking again for the answers he received from National Highways and ESCC in regard to NL/NR in Strand Hill. As stated in his email of today 31.5.2026.

6. JT gave some up to date data of 1800 vehicles passing through our town per day.

7. We are still awaiting a response from ESCC / NH about going forward with the NL/NR turn. Will follow up again in a couple of weeks if still no response.

8. New Committee Members; sadly with many committee members leaving us we need to replace with new members. 3 residents have expressed interest and will be advised to send their interest to @WR.

9. Winchelsea Fete 15/8/2026 1pm - 4pm.

Committee members will take turns in manning our stall and this year we are going to add a childrens game. This was agreed to be “ Name the animal”. JG will provide animals and set up game.
